Work Experience

WEBSITE DESIGNER

Rayos Designs | Amarillo, TX | April 2018 - Current
In April 2018, I started a website design company. I design and develop entire websites for various clients, maintaining active conversations with clients to ensure their needs are met. Researching industry trends and websites allows me to provide top quality designs. Workflow tools used day to day include: HTML, CSS, JavaScript, jQuery, and Git.

SYSTEM ADMINISTRATOR

CNS Pantex | Amarillo, TX | December 2015 - Current
Highly motivated and detail-oriented System Administrator with a strong foundation in IT operations and a passion for learning new technologies. Skilled in [list of relevant skills, e.g., hardware and software installation, troubleshooting, user support]. Eager to contribute to a team environment and gain experience in a fast-paced IT role.

COMPUTER SCIENTIST INTERN

Los Alamos National Laboratory | Los Alamos, NM | May 2015 - August 2015
Highly motivated and results-oriented Systems Engineer with a strong foundation in IT infrastructure management and a passion for learning new technologies. Skilled in [list 2-3 relevant technical skills, e.g., network administration, operating systems, scripting languages]. Eager to contribute to a team environment and gain experience in designing, implementing, and supporting complex IT systems.

COMPUTER SUPPORT TECH

Dona Ana Community College | Las Cruces, NM | August 2014 - January 2015
Provided general field support for faculty, students, and other employees. Also, responsible for answering questions from computer users and organizing closets of computer software and hardware.

Education

BACHELOR OF ARTS IN COMPUTER SCIENCE

New Mexico State University | Las Cruces, NM | January 2014 - December 2015
Followed my passion for computers and programming and excelled in Java and C programming courses. Researched high performance computer software and completed my senior project on Ceph Object Storage software. Also minored in Software Development and Algorithms Theory.

BACHELOR OF SCIENCE IN BIOLOGY

New Mexico State University | Las Cruces, NM | August 2007 - May 2013
Completed studies in Biology and continued on to work in an environmental laboratory. Minored in Biochemistry.
